

Class of 2022 Graduate Outcomes

Each year Harvard Graduate School of Education graduates highly competitive candidates into the job market in a variety of professional sectors. This report provides a snapshot of the 956 HGSE graduates who conferred their degree in May 2022. Students were surveyed up to four months from their graduation date, with an 83% knowledge rate*, reflecting 903 Master’s, 46 Doctoral and 7 Certificate of Advanced Study (C.A.S.) graduates.

**Knowledge rate is defined as basic information about career outcomes of graduates (either self-reported via the survey, or administratively added from various 3rd parties.)*
